Groudle Glen. This is one of the loveliest glens in Man, and there is no wonder that it is still haunted by the Little People or fairies and the *Phynnoderee*, that Manx elf who is half Puck, half Brownie. Half a mile north of the Glen is one of the smallest and most primitive of churches—Old Lonan. The loveliest and loneliest part of the Glen is called *Lhen Coan*, "The Lonely Valley."
